"PERCEPTION OF PERFECTION"

SUNDAY, DECEMBER 5TH, 2004, 4PM to 8PM
WITH A SPECIAL PRESENTATION AT 7PM

BAHAMA HOUSE
211 WEST 137TH STREET, NEW YORK CITY

My sculptures are inspired by an ancestral urge to conserve that which we destroy or discard in the name of progress. It is my intent, through this process, to present conceptual proposals, which suggest issues of identity and respect for nature.
