## Evader Continues ``Quiet" Expansion to the Bahamas

NASSAU, Bahamas--(BUSINESS WIRE)--April 26, 2004--Bellevue, Washington-based Evader, Inc ([www.evader.us](http://www.evader.us)) (NASDAQ: EVDR), the maker of electric high-performance vehicles powered by their leading-edge proprietary technology announced today Olde Towne Marina in Nassau, Bahamas, is the latest addition to Evader's fast-growing list of worldwide distributors.

"We have already placed our first order. Our climate, terrain and the popularity among tourists make the Bahamas ideal for Evader's electric motorscooters," said Pierre Bowe, owner of Olde Towne Marina. "The Evader is fantastic, you can drive along the beach and actually hear the surf and the birds. People can now enjoy the beauty and sunshine of the Bahamas from the quiet ride of an Evader vehicle."

The Bahamas, located 50 miles off the coast of Florida, is actually a group of 23 inhabited islands offering wonderful scenery and perfect weather conditions, making it one of the most popular tourist destinations in the world.

### Evader now in nine countries

The list of Evader's international distributors has grown to seven encompassing a total nine countries. "Our expansion is set to explode," said Evader's Director of Global Distribution, Rob Stoneham. "Interest in our all electric Evaders is growing every day. We are truly becoming a worldwide enterprise."

### About Olde Towne Marina

A mainstay of the Bahamas for the past five years, Olde Towne Marina ([www.oldtownemarina.com](http://www.oldtownemarina.com)) is the exclusive distributor of a number of name brands in both watercraft and land-based vehicles. With brands such as Bombardier (both Sea-Doos and ATVs), Sunseeker, Triumph and Wellcraft boats and yachts, Olde Towne offers sun- and fun-seekers everything they need on both water and land. Olde Towne also supplies all the major hotels in the Bahamas with their products.
